

## RE: Notification for Change of Bus Policy

Holy Family advises parents that Transportation Services – Policy 8011 Section 4.1.2 for 2016-17 school year will state that **students on Holy Family buses are eligible for one pick up and one drop off location**. We are advising parents to consider how this may impact families that have situations such as:

- Part time babysitters
- Work part time
- Use daycares part time
- Or other situations where parents may want to apply for multiple pick up or drop off locations

We are notifying parents at this time so that they can plan effectively for the 2016-17 school year. Note also Transportation Services – Policy 8011 Section 4.1.3 states should you require additional bussing services due to special circumstances you can make application for the additional services using OP 8011-Appendix 2: Application for Additional Transportation Services found on Holy Family's website at [www.holyfamilyrcssd.ca](http://www.holyfamilyrcssd.ca).

Holy Family also advises that Transportation Services – OP 8011 Section 3.1 states that guest passengers are not allowed on Holy Family buses which means only students that have been approved through the application process will be allowed to get on and off Holy Family busses at their designated spots.

We look forward to continuing to serve the families of Holy Family as expediently as possible in the future.
